

DMCC adds new Dubai Dog Park in its JLT Community

28 June 2020

DMCC – the world’s flagship Free Zone and Government of Dubai Authority on commodities trade and enterprise – officially inaugurated the JLT Dog Park at its Jumeirah Lakes Towers (JLT) community in Dubai.

The JLT Dog Park provides a safe and enclosed space for residents, neighbouring communities as well as visitors to walk and exercise their dogs in a controlled environment and in companionship with others. The 475 square metre gated park offers various features, including a sand pit, open green space, shaded seating area and dog play equipment. Visitors will be welcome 7 days a week from 08:00 am to 09:00 pm.

The opening of this new amenity within the community underscores DMCC’s ongoing efforts to enhance the lifestyle experience in the JLT district, host to a growing community of over 100,000 people who live, work and visit the area. As the master developer of the JLT district, DMCC continues to play a prominent role in shaping the development of its community and paving the way for a vibrant business and leisure hub.
