

DMCC Crypto Centre

MADE FOR TRADE

dmcc.ae

The DMCC Crypto Centre is a comprehensive ecosystem for companies that develop web3 and blockchain technologies, and associated value-added services, providing everything that crypto businesses and entrepreneurs need to scale their operations.

With a progressive and supportive regulatory environment, a strong pool of industry talent, and an ecosystem that provides resources, opportunities, knowledge, and access to capital through global partners, the DMCC Crypto Centre is perfectly placed to help crypto businesses grow their global operations.

Quick Facts and Stats

- 600+ members, the largest concentration of crypto and web3 firms in the region
- Access to over USD 150 million in venture capital funds through strategic partnerships with Brinc Accelerator, collaborations with local and international VC firms and family offices
- 15 different licences to cater to any crypto business including regulated virtual assets activities
- 8+ ecosystem partners, including leading technology protocols, market makers, Web3 incubators, crypto exchanges, and cybersecurity companies
- USD 100,000 hackathon organised in 2023 focused on AI, gaming and information security to further Web3 innovation

A Unique Crypto Environment

The DMCC Crypto Centre is a unique environment that offers everything a crypto business needs to succeed:
