

OUR CUSTOMERS AND SERVICES

DMCC's value chain and its services are complex. Still, through identifying and prioritising our stakeholders, which are our business owners, residents, and visitors, we can provide a multifunctional ecosystem to serve all their business needs and more. The diagram of our operations depicts how we interact and impact our stakeholders through our services.

We manage a business community of over 21,000 member companies from 190 countries that employ over 60,000 people.

Through our fully integrated services, business owners can register their business license within the free zone and enjoy our value-added services depending on their needs. For example, we cater to the coffee, tea, and precious metals sectors by granting access to our network, education, and regulatory guidance for these commodity activities. Residents, visitors, and employees of DMCC registered businesses can enjoy the various community engagement opportunities in a secure and pleasant setting.
